Charles Kircher's Salary Fixed Despite Action of Mayor Glasmann.

(Special to The Herald-Republican.) Ogden, April 12.- The city council tonight decided once and for all the question of the salary to be paid Charles Kircher, superintendent of the water works, when they passed a resolution over Mayor William Glasmann's veto fixing the superintendent's compensation at \$2,700. Kircher had been drawing a salary of \$3,000, which the mayor considered altogether too high. claiming that \$1,800 was enough for the amount of work performed. The action of the council was very distasteful to the mayor, who threatens to use his veto again.

The park commissioners invited the council to meet them in city hall square on Arbor day for the purpose of witnessing the planting of trees on the public grounds. It was decided to accept the invitation

On the recommendation of Chief of Police Thomas Browning, the liquor license of John Rogers, of the Turf saloon, who was recently fined for selling liquor to a minor, was revoked.

Reports of numerous snow slides in the Ogden canyon, causing great damage to the water conduit in that section were received by the council, and the superintendent of water works was authorized to

tendent of water works was authorized to make necessary repairs.

The local Typographical union petitioned the city council to have all public printing bear the union label. The petition set forth that the non-union shops underbid them, and were in the habit of employing inferior and child labor. The petition was referred to the engrossing committee.

A number of petitions were before the council from peddlers asking that the excessive license fee enforced through the new ordinance, be repealed. They claim that the license of \$500 a year is excessive.

CUPID'S DARTS PIERCE OLD AND YOUNG HEARTS

Two Couples Too Late for Licenses, But Ten Others Procure Legal Permits.

Ogden Artisans to Form Political Party of Their Own.

(Special to The Heraid-Republican.) Ogden, April 12. — Representatives of labor unions held a meeting in Labor hall tonight to devise plans for the formation of a new political party. A good deal of objection to the present political parties was voiced at the meeting. A committee of seven, with Joseph Oliver as chairman, was authorized to prepare a declaration of principles and formulate a platform for a new party in Ogden. The committee was instructed to report to the labor assembly the first Monday in May. It is the intention of the laborites to place an indeendent ticket in the field at the election

PASTY FOOD Too Commonly Used.

The use of pasty cereals is not advisable. A physician says: "Pasty cereals are very indigestible and a bad thing for the stomach, causing a pressed feeling and quite a train of disorders, particularly of the intestines and nerves. Cereals, such as wheat and oats, can

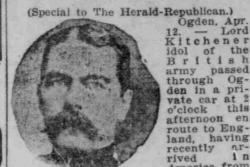

be cooked long enough and well enough to fit them for human use, but the ordinary way of cooking leaves them in protest against the high meat prices a pasty condition." A gentleman from Evansville, Ind., ilies, it is figured, have put a ban on meat.

Senate High Cost of Living Committee Listens to Witnesses Regarding Cold Storage.

Washington, April 12.-Formal testimony was given today before the Senate committee investigating the high cost of living that cold storage is the great equalizer of prices, while at the same time an informal declaration was made that cold storage is the controlling factor in producing high prices. Pierre P. Gavin, prosecutor of Hudon county, N. J., attacked the cold storage system and praised the work of

the investigating committee. John A. Kunkel of New York said that if it were not for the cold storage method of keeping eggs, they would sell so low as 8 and 9 cents a dozen during the certain seasons, and as high as 75 cents and a dollar in other sea-

sons of the same year. He told the committee many interesting things about eggs. He said New York people demanded an egg with a white shell, while Boston used the yellow shell eggs. He said the latter was better than the white shell egg, in that
